An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

In claim 1, line 7, "using set of a first" has been replaced by --using a set of first--.

This change has been made in order to correct a minor grammatical informality stemming from an error in the Office action (under *Ex parte Quayle*) mailed on October 28, 2005.
